

DANTE LE ROUX #45

2027 MOTORSPORT SPONSORSHIP PROPOSAL

THE JOURNEY • THE DREAM • THE NEXT CHAPTER

FROM A FOUR-YEAR-OLD WITH A DREAM TO A CHAMPIONSHIP CONTENDER

Dante Le Roux has been racing since the age of **four**.

What started as a young boy's love for motorsport has grown into a passion, a commitment and a dream that Dante has worked towards for more than a decade.

Over the years, Dante has dedicated countless hours to racing, training, travelling, preparing equipment and constantly working to become a better driver.

His journey has not always been easy, but his determination has never changed.

Today, Dante is a talented young driver who has progressed through the ranks and continues to compete at the highest level available to him.

DANTE'S RACING ACHIEVEMENTS

2023 — F200 Junior

 **Championship Runner-Up**

2024 — F200 Junior

 **F200 Junior Champion**

2025 — F200 Senior

 **3rd Place**

2026 — F200 Senior

 **Currently fighting for the Championship**

This progression tells the story better than words can:

Runner-Up → Champion → Senior Podium → Championship Contender

Dante has proven that he has the ability, determination and work ethic to compete.

Now, we want to give him the opportunity to take the next step.

THE NEXT CHAPTER

After careful consideration, we have decided that **2026 will be Dante's final season in the F400/F200 environment.**

Our goal is to move Dante into the **Tillotson Racing Series** for the next stage of his development.

Tillotson provides Dante with a new challenge and a potential pathway into a more internationally recognized form of karting. It also creates the possibility of competing internationally, including potentially qualifying for racing opportunities in **Spain.**

For a young driver who has spent his childhood working towards becoming better, this represents an incredibly exciting opportunity.

However, taking this step requires a significant financial commitment.

Because the Tillotson Series uses a specific chassis and engine package, Dante will effectively need to **start again with his racing equipment.**

This is where we are looking for the right partners to join us.

THE FINANCIAL CHALLENGE

The estimated costs of establishing Dante in the Tillotson Series include:

Requirement	Estimated Cost
Tillotson kart — second-hand (Spain 1 Race Old Kart)	± R80,000
Tillotson kart — new price revised on the 01 st September 2026	± R120,000
Racing suit	± R6,000
Racing shoes	± R5,000
Race entries — 9 × R2,500	R22,500
Driver training Lanzetti Racing — R3,000 × 12 months	R36,000
Racing Tires – 3 x Dry Sets for the Season @ R4,400 / Set	R13,200
Racing Tires – 1 x Wet Set for the Season @ R4,400 / Set	R 4,400

ESTIMATED INITIAL PROGRAMME

With a second-hand kart: ± R167,100

With a new kart: ± R207,100

These figures do not include additional costs such as fuel, maintenance, replacement parts, transportation, accommodation and other race-day expenses.

WHY YOUR SUPPORT MATTERS

We want to be completely transparent about what is at stake.

Without the necessary financial backing, **Dante's racing career could come to an end.**

That is incredibly difficult for us to contemplate.

Since the age of four, Dante has worked towards becoming a better driver. More than a decade of hard work, sacrifice, training and dedication has gone into getting him to where he is today.

We do not want all of those years of hard work to come to an end simply because the financial resources required to take the next step are beyond what our family can carry alone.

Dante has already put in the work.

Now he needs the opportunity to continue.

We are therefore looking for companies and individuals who believe in supporting young South African talent and who would like to become part of Dante's journey.

BECOME PART OF DANTE'S JOURNEY

We are looking for **sponsors, corporate partners and supporters** who can assist through financial sponsorship, equipment, products, services or other forms of partnership.

Your company doesn't simply become a sponsor.

You become part of the story.

As Dante progresses through the Tillotson Series, sponsors can receive exposure through opportunities including:

- Branding on Dante's kart
- Branding on racing apparel and equipment
- Social-media exposure
- Sponsor mentions and promotional content
- Race-day photography and content
- Sponsor recognition throughout the racing season
- Opportunities for client and employee engagement
- Association with youth development, motorsport and sporting excellence

We are happy to discuss a sponsorship package that works for your company's budget and marketing objectives.

MORE THAN A RACING DRIVER

Supporting Dante is about more than putting a logo on a kart.

It is about supporting **commitment, discipline, perseverance and ambition.**

It is about giving a young driver who has spent his entire childhood chasing a dream the opportunity to discover just how far that dream can take him.

We don't know exactly where Dante's racing journey will ultimately lead.

But we know that he has the determination to keep pushing.

With the right support behind him, we believe his next chapter could be his most exciting one yet.

HELP US KEEP THE DREAM ALIVE.

If your company would like to become part of Dante's 2027 racing program , we would be grateful for the opportunity to meet with you, present our plans and discuss how we can build a partnership that benefits both Dante and your business.

THANK YOU

Thank you for taking the time to learn about Dante and his journey.

Every sponsor, supporter and person who stands behind Dante becomes part of his story.

Let's make sure the years of hard work don't end here.

Let's see how far he can go.
